

The Rambler

1938-39
Winter Issue

WASATCH MOUNTAIN CLUB
of Salt Lake City, Utah
224 South State Street

OFFICIAL NOTICES

At the meeting of the Board of Directors held November 17, 1938, By-Law 24 was changed by unanimous vote to read as follows:

"The annual dues shall be \$3.00. The fiscal year shall be from November 1 to the following October 31, inclusive. From November 1 to December 31 shall be a period of grace during which time full membership privileges will be allowed to the previous year's members. Members not paying their dues by January 1 shall automatically lose their membership."

The change in the fiscal year has necessitated an adjustment in the dues paid by 1938 members; therefore, a 1938 member may renew his membership in the Club for the year 1938-39 by the payment of \$2.50 rather than \$3.00. Dues are now delinquent but under By-Law 24 as amended a period of grace is allowed until December 31 within which to make payment of dues. As a further concession to members in view of the change, the Board has extended this period of grace to and including January 31, 1939. However, this extension is granted for this year, only.

Dues may be paid to any Board member or at Club Headquarters.

Will you, therefore, please keep yourself informed of current Club trips by reading the bulletin which will be posted at Club Headquarters and at 30 West Broadway no later than Thursday of each week.

Mr. Frank Ford and the Walker Bank Club are planning a special excursion to Sun Valley, sometime in January or February and have invited all interested Mountain Club members to participate in the trip with them. This is a good opportunity to visit Sun Valley at a moderate cost. Information may be obtained from any Mountain Club Director or from Mr. Ford.

Capt. George Ottinger, as a token of his appreciation for the advantages offered by the Mountain Club, presented us with one of his own paintings at the recent Club meeting. We surely thank you, "Cap" and hope we'll see you out often on Club trips.

Pat Worsdell, who is now Mrs. J. P. Hullquist, and Mrs. (Veloise Hesseling) Decker recently stopped in town briefly and asked to be remembered to all ~~their~~ friends in the Club. Thanks for saying "hello", and next time try to stay a little longer. We miss you a lot.

Another far-away member whom we miss is "Bennie" Iverson (Edythe Benbrooks to the old-timers). No doubt, most of you have seen the lovely hand-carved wooden shield, spoon and fork, and water buffalo she has sent us from the Philippines from time to time. We hope we'll be seeing you soon, Bennie.

Mr. E. N. Ebbe, our globe-trotting Mountaineer, according to last reports was building a boat in which to travel down the Colorado River to Needles, Arizona (or is it New Mexico?) Anyway, we heartily wish you good luck on your journey, Mr. Ebbe.

Have you made it a habit to drop in at the Orpheum Alleys every Wednesday with the other Wasatchers? If not, you're missing some good times. We understand The One, The Only, The Original Bill Kamp bowled 244 the other night. Wottamann!

:--S-h-h-h!! Johnnie Christensen was seen to surreptitiously salvage from the Lodge recently a wrecked rocking-chair's rockers. I :M A Pansy wants t'know what Johnnie's going to make with the wrecked :rocking-chair's rockers??

"The Rambler" is in an experimental state. Its general interest to you, Club members, can be greatly increased by your constructive criticisms. Your co-operation in sending in Club news items will be greatly appreciated. Kindly address them to Loretta Bartlett, 125 South Third East, or leave them either at Club Headquarters or with "Chick". Thanks, a heap.

Last, but by no means, the least - may we, the Board of Directors of the Wasatch Mountain Club, take this opportunity to extend to you our very best wishes for all the good things the coming Holiday Season has to offer, and a "happy and prosperous New Year".
