Conservation Notes

June 2002

Will McCarvill

The environmental community in Utah is opposed to Congressman Hansen's anti wilderness provision known as Title XIV in the Defense Authorization Act of 2003 (H.R.4546). This act would supposedly designate wilderness in the west desert. It has been touted as a way to prevent nuclear waste from being transported and stored in the Skull Valley by prevented the construction of a rail spur. Title XIV would allow the military to build on the ground contructions and roads and prevent public access. It designates less than 1/3 of the lands deserving wilderness designation in the west desert. It expands DOD control over the lands of the fly space, where now it controls only the airspace. While most Utahans oppose the shipping and storage of nuclear waste in Utah, the wording of Title XIV is unacceptable. The designation of appropriate wilderness for the Cedar Mountains is the best way to stop the flow of nuclear waste.

As the process for defining what the proposed San Rafael National Monument unfolds, the WMC will be a part of the Utah Wilderness Coalition team that will ensure that the proposal will protect its outstanding natural beauty. SITLA has already come forward with a proposal for exchanging state lands within the boundary of the proposed monument for other BLM lands outside the boundary. The lands SITLA wants will have high potential for leasing revenue from oil and gas production. We must ensure that lands given to SITLA will not be in areas with significant natural values.

The next Conservation Committee meeting will be Wednesday July 17 at 7PM in the club office

The WMC takes care of the section of Wasatch Boulevard between Big Cottonwood Canyon and Health Rider. We had good help last time, but a few more hands would make the job go in about 2 hours. Help us out on July 13, look for details in the activity section. We will also be working on trails the same day, call Chris Biltoft at 364-5729 to sign up.

A UWC wilderness inventory trip is planned for June 28-30 in the Wah Wah mountains. Call Ken Venables at 486-2872 or xray@xmision.com for details.

Boating Directors Message

Boaters are nothing if not resourceful! This year we are making lemonade out of lemons! There is precious little water but we are making the best of it! In June we have had a very successful and fun beginners trip with a great group of beginners on the Gray Canyon of the Green River led by Vera Sondelski! We kept throwing the beginners in the water and they came up smiling! Bart and LaRae led a canoe trip down the Ruby/Horsethief Canyons on the Colorado. Lori Major took a group of experienced boaters down the mighty river of no return, the Main Salmon. Mike Budig in his annual non-permit river trip to the north is leading a trip on the Lower Salmon right now. In a few days, Bret Mathews is taking river lovers on the Payettes for one of the greatest day trip rivers in the west!

We could use some more trips in August! WE NEED ORGANIZERS! Idaho has water and will have fun for boaters all summer. Get away from the heat and go boating in Idaho! YOU KNOW YOU WANT TO! Call Lori Major 424-2338 or send an e-mail to arivergoddess@yahoo.com to volunteer to organize a trip.

If you want to find out about trips not listed in the Rambler, please sign up for the boaters e-mail list at <http://groups.yahoo.com/group/wmcboaters/> We list both WMC sanctioned trips and non WMC private trips organized by club members. This e-mail is for information only, a listing on it in no way implies Wasatch Mountain Club sponsorship of any given boating trip.

July 4, Thursday, OPEN HOUSE at LODGE 10 AM to 4PM

Enjoy the Brighton 4th of July parade, the pancake breakfast at the LDS Brighton chapel, do an easy hike to Lake Mary or beyond and then stop by and see the highly improved Wasatch Mountain Club Lodge. All ages are welcome. We have

put in running water and flush toilets in the last year and it's a dramatic change from the recent past. There will be some exhibits of old documents and photos - no charge, no cost, no need to volunteer to do anything. Just stop by and visit. Feel free to bring your picnic lunch and enjoy it inside the historic log structure from the 1930's, or outside on the patio next to the creek. Bring an acoustic instrument and play or toot away. Bring your Dutch Oven and impress others with your culinary skill. The Lodge is just across the creek from the start of the Lake Mary trail, and about 300' directly up the hill from the Brighton Lodge at the far end of the ski area parking lot. If you have questions, contact Frank Bernard (533-9219) or, bernfp@aol.com. If you were a volunteer on the lodge construction at any time in the past two years with Frank, Zig and Dudley, please contact Frank. We will be doing a thank-you event this summer and would like to include everyone who helped, from the time we first started meeting, to digging the first exploratory hole, to the last painting project.

"ONWARD AND UPWARD" AVAILABLE FREE

The Board has approved making a copy of "Onward and Upward", by Mike and Treshow and Jean Frances, available to WMC members at no charge. This is a wonderful history of the Club commissioned on the WMC 75th anniversary. If you are interested in having a copy you may pick it up at the WMC office. People who have purchased a copy are welcome to pick up an additional copy at no charge. New members and old timers will find this an excellent way to learn more about the Club and get more involved. No copies will be mailed due to the cost.

Another Book!! "The Lady in the Ore Bucket" by Charlie Keller (longtime WMC member!!)

The place names, physical traces, and artifacts remaining in the 3 Wasatch canyons tantalize with what they suggest, but do not tell, about the history of settlement and development in the canyons. Charles Keller has extracted a wealth of information to create *The Lady in the Ore Bucket*, a fascinating history of the lumber, mining, and hydropower industries built from the rich natural resources of the canyons. The book is alive with details concerning the personalities, politics, pacts, and peregrinations of local leaders from the white settlement in 1847 through the early 1900s, and will delight any reader with an interest in the magnificent canyons that open onto the Wasatch Front. TRIP TALKS

Confusion Reigns (Range?)

Wilderness Inventory Service Trip

May 17-19 2002

Will McCarvill

The Disappointment Hills lived up their name, at least for the WMC team that was assigned to inventory the Granite Peak and Disappointment Hills units of the UWC wilderness proposal. The Disappointment Hills are in the Confusion Range near the Nevada boarder. How can a short article be written about a 700 mile trip over 24 hours involving only 4 hours of sleep and 20 hours on the road? Suffice to say that it involved 2 flat tires, searching for a used tire at 1AM in East Wendover with a character right out of 'Deliverance' and endless night driving on dirt roads. To top it off the units are only 40% complete and the \$40 used tire went flat within 18 hours ending the surveying portion of our journey.

On positive note, the crew with Will McCarvill, (Dan Cortsen, Audry Rindfleisch, and Joanne Miller) showed remarkable good humor and tolerance to a tough 24 hr trip on rough dirty roads.

The UWC and SUWA staff members that met us at the campground near Calao were well prepared with high quality maps and easy to follow instructions. This made the inventorying process easy and fun.

Ibapah Peak is amazing, when I awoke Saturday morning after 4 hours of sleep it almost made up for the previous night's troubles. It soars to over 12,000 feet: 6,000 feet above the desert floor. This was my first trip to the west desert: I was impressed with the wild and deserted nature of the basin and range regime. I plan to return.

So look for more inventory trips in the fall. This time I promise to have two spares, a better jack, a jack stand, a tire pump that runs off the truck battery and a plug kit!

Reflections on the Gray

By Sue Morrow

I'm in the midst of realizing a dream I have had for about 17 years of learning to run rivers. This was my year to begin to fulfill a long-ago promise to myself that if I ever lived where there were rivers, I would learn to run them. A few months ago a chance meeting with Lori Major led me to WMC, and I signed up for my first boating trip--a beginners trip--this past weekend in Gray Canyon.

I have a passion for rowing, and I worried that as a beginner I did not have the skills to row even the Class II rapids that characterized this stretch of the Green River. I worried that I would not be accepted by boaters who were more experienced and more fit than I, that this new club I was joining would be exclusive somehow. My fears began to subside when Vera, the trip leader, said she would provide an oar boat and captain for me for the weekend. She said, "We are always interested in training up new oarspeople." Little did I know that I was getting my own private instructor for two days on the river!

The trip began at the boating shed, where we met to load up, then carpooled to the campsite. After setting up camp, we sat around an invisible campfire drinking margaritas and getting acquainted. What was so impressive was that, although the experienced boaters on the trip obviously had taken many trips together, they included us "newbies" at every turn. Whenever oldtimers began to reminisce, they stopped to fill us in so we could join the fun.

Vera was a genius of organization, and we were up, fed, and out in good time each morning. We put in at Nefertiti Rapid the first day and floated down to camp by afternoon. The trip consisted of my oar raft, two paddle rafts, and a variety of smaller craft--duckies, catrafts, and a canoe. It was a no-pressure day in which each of us was free to learn, work, relax, play in rapids, and make new friends. We stopped to learn to swim some easy rapids, hurl throw bags, and practice rescue skills. In addition to having a fabulous time, we beginners learned a ton in a safe, no-pressure, encouraging environment! The second day we put in a bit lower to allow time to get back to camp and load up, and on the way we learned how to use a zip line to traverse the river--hanging on to a strap attached to a pulley on a rope across the river, we rode the current down and across to the other side. Everyone, included the oldtimers, wanted a turn.

For a beginner like me, this trip was tremendously empowering--learning to confront my fears of the river's power, being included by experienced boaters, taking a giant step toward running rivers on my own. After only one trip with the boating group, I feel I've found not only a place to learn but a true community. Thanks so much to all of the new and experienced boaters who made this such an incredible experience: Vera Sondelski, Luaura Lisk, Celeste and Scott Lisk, Kathy Jones, Lori Major, Bret Mathews, Bart and LaRae Bartholoma, Mike Morrow, Susan Torabi, Christina Rodriguez, Josh Anderson, Jennie Hollibaugh, Mark LeBlanc, Annie Peiper, Diane Mumford, Shirley Miller, and me--Sue Morrow.

Meet at 6:00 PM at the pull out on the South side of the road 2.45 miles up Big Cottonwood Canyon from the neon sign. Call Matt Henderson (944-6910) or Email (mah@speakeasy.org) if you have questions. **HELMETS ARE RECOMMENDED** (post-climb Garlic Burgers at the Cotton Bottom are also recommended). Rating: 5.6 to 5.10c, beginner to advanced climbing.

AUG 17 SAT SOCIAL: OLD TIMERS/ NEW COMERS PARTY Come to the lodge at 6:30 for a pot luck delight followed by an exciting presentation by Alexis Kelner (you never know what that guy is up to). Bring your own utensils, plates, BYOB, and some old WMC memories to share! Questions call Jeanine @ 364-1873 or Vicki @ 230-2847.

AUG 17 SUN DAY HIKE: LAKE CATHERINE FROM BRIGHTON (NTD). Experience a Club classic with Anne Elwood (561-8387). Meet Anne at the Big Cottonwood Canyon Park and Ride lot at 9 AM.

AUG 18 - 23 MON-FRI FAMILY BACKPACK: HENRYS FORK / UINTA RIVER BACKPACK. Bob Cady (274-0250) plans a long backpack across the top of the Uintas, crossing Gunsight Pass with the possibility

of climbing Kings Peak. The trip involves a very, very long shuttle (of course). Children of members are permitted with the consent of the organizer. Limit: 13.

AUG 22 - 23 THU-FRI CAR CAMP: THE SUBWAY. One of the best hike/scramble/swim/adventures going, and tough to get now due to the new lottery system. This is a car camp and a day hike. We will leave Thursday about noon and drive to Zion in time to pick up the permit, and then check into a campsite at lava point. Friday morning we will do the hike (technically-the Left Fork of North Creek). Then if folks want to hang around for the weekend, and do some other hikes they can do that on their own. Call Rick Thompson (255-8058) to register.

AUG 22 THU CLIMBING: CHALLENGE BUTTRESS. Meet at the pull out (South side of road) across from Storm Mt. main entrance in Big Cottonwood by 6:00. Looks like some great sport routes, with a large concentration of climbs in a small area. Call Matt Henderson (944-6910) or Email (mah@speakeasy.org) if you have questions. **HELMETS ARE RECOMMENDED** (post-climb Garlic Burgers at the Cotton Bottom are also recommended). Rating: Routes from 5.7 and up, moderate to advanced climbing.

AUG 23 - 25 FRI-SUN BACKPACK: ROCKY MOUNTAIN NATIONAL PARK. Join Jane Koerner (435-750-0051 or janek@pr.usu.edu) for a long weekend in Rocky Mountain National Park, with a backpack-ascent of Clark Peak. Overnight in a spectacular alpine gorge of aquamarine lakes, towering cliffs and Rocky Mountain sheep. You must be an experienced backpacker who can handle altitude. Call or send e-mail to Jane to register.

AUG 24 - 25 SAT-SUN FAMILY BACKPACK: ORGANIZER'S CHOICE. Ben Everitt (272-2764) will find a great location for a late summer backpack. Children are permitted with the consent of the organizer. Dogs might be allowed depending on destination. Call Ben to register and get details.

AUG 24 SAT CLIMBING: MAPLE CANYON. Kristen Keefe is leading a **WOMENS ONLY** trip to this great sport route crag. Join her in climbing these rounded cobbles. Mild approaches and cool box canyons makes this a trip not to miss. Call Kristen (278-2620) or Email (k2slc@earthlink.net) if you have questions. **HELMETS ARE RECOMMENDED.** Rating: Routes from 5.6 and up, moderate to advanced climbing

AUG 24 SAT: ANNUAL DUTCH OVEN COOK-OFF & BBQ AT THE LODGE. It's time, once again, for all the Dutch Oven chefs to show off their talents at the **ANNUAL DUTCH OVEN COOK-OFF AND BBQ** at the Lodge! For those who don't "DO", the BBQ pit will be open for grilling. BYO charcoal. The Lodge will be open at 4:00 p.m. for those who need to start early. Food will be served at 6:00 p.m. Bring everything you need to prepare your dish(es). Each dish should feed 8 or so people. Families and children are welcome. Overnight fee is \$3 if you choose to sleep over. Bring your own plates, beverages, etc... Call Beth Ebling with questions. 484-1243

AUG 24 SAT FAMILY DAY HIKE: ELBOW FORK LOOP (NTD). Randy Long (943-0244) presents a very enjoyable twist to the Pipeline and Terraces trails: up to Elbow Fork along the Pipeline trail and returning along the Terraces trail. There are only two climbs and the hike is in dense forest much of the way. Randy invites children as well as their adult counterparts. Since the Terraces trail is in a wilderness area, there will be a limit of 13 participants, or 2 children per family. Meet Randy at the Skyline High east lot at 10 AM. Bring a Mill Creek access pass or canyon access fee, food, water and rain gear.

AUG 26 B SEP 6 FRI-FRI BOATING: MIDDLE FORK SALMON (III+). Due to the expected low water conditions, this is going to be a self support trip in IKs and possibly small catarafts. No paddle boats! Plan to carry all your own personal gear, plus a share of group food and required equipment. On the river September 1-8, plus driving days. \$100 deposit required. Steve Susswein 435-647-9833 steve_susswein@hotmail.com.

AUG 29 THU CLIMBING: STORM MOUNTAIN. With routes from 5.4 to 5.12 there is something for everyone. Will this be the year you flash Goodro=s Wall? And for the new leader there is always Six

This is just across the road from the entrance to Storm Mountain Picnic area. Call Matt Henderson (944-6910) or Email (mah@speakeasy.org) to register or if you have questions. Children are encouraged with the permission of the organizer. Bring food, water and rain gear. Meet Randy at the Big Cottonwood Park and Ride lot at 10 AM.

AUG 31 - SEP 6 BACKPACK: MAROON BELLS IN COLORADO. This will be an exploratory backpack into the spectacular Maroon Bells area of Colorado. It will probably be about 42-45 miles in length. To register, call trip organizer Michael Budig at 328-4512 or email him at mbudig@mail.com.

SEP 4 - 7 FRI-MON BACKPACK: WIND RIVER MOUNTAINS. Russell Patterson (973-6427) will make a 24-mile loop, starting and finishing at the Big Sandy trailhead. Along the way will be the Cirque of the Towers, plus some day hikes to peaks and lakes. Plan on leaving Wednesday evening. Call Russell to register and to get details.
